

ACTION

```
graph LR; ACTION[ACTION] --> Code[BBP::esa::esaProcessor  
::markStatic];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the word 'ACTION'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains two lines of code: 'BBP::esa::esaProcessor' on the top line and '::markStatic' on the bottom line.

BBP::esa::esaProcessor
::markStatic
