

BBP::userspace::StateMachine  
::execute

```
graph LR; A[BBP::userspace::StateMachine::execute] --> B[BBP::std::exception];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'BBP::userspace::StateMachine' on the top line and '::execute' on the bottom line. The right box is white with a black border and contains the text 'BBP::std::exception'. A dark blue arrow points from the right side of the left box to the left side of the right box.

BBP::std::exception
